

GROWING YOUR COMMUNITY'S FUTURE THROUGH A GIFT TO IVY TECH

Plant a Seed. Watch it Grow. Make a Difference. Your gift of grain supports Ivy Tech Community College students studying agriculture programs in our community.

WHY IVY TECH?

The agriculture programs at Ivy Tech engage students in hands-on activities in and outside of their classrooms while preparing them for real-world agriculture careers. As an affordable option for students, our graduates can enter directly into the agriculture workforce in high-demand, competitive paying careers or they may transfer to many of our four-year partners for further education at a significant cost savings.

Ivy Tech students are from our community and tend to stay and work in our community. Your gift to support Ivy Tech students is an investment in a strong community and the future of the agriculture industry in

WHY DONATE GRAIN?

- > Simple way to make an immediate impact.
- > Support the next generation of farmers in your community.
- > By gifting grain to Ivy Tech, you will reduce the income you have to pay taxes on, which may result in self-employment tax, federal income tax, and state income tax savings.
- > Costs and expenses incurred in growing the donated crop are still allowable as expenses on your income tax return.

FREQUENTLY ASKED QUESTIONS

HOW IT WORKS

The gift can be made

from current or prior

years' crop.

The farmer must give up dominion and control over the grain and cannot

offer any guidance as to when or how to sell the grain. After the transfer,

Ivy Tech Foundation assumes the costs of storage, transportation, and

marketing and bears the risk of any loss.

The gift must

be from unsold

grain inventory

with no prior sale commitment, and

not in warehouse receipts.

CAN A CROP SHARING ARRANGEMENT BENEFIT FROM THIS TECHNIQUE?

No, shares of crop are considered rental income and must be reported as such.

CAN FARM CORPORATIONS BENEFIT IN THE SAME WAY AS THE FARMER WHO IS A SOLE PROPRIETOR?

The benefits described in this brochure apply to calendar yearcash basis sole proprietorships. Corporations are not treated the same way from a tax perspective. Ask your tax professional to determine whether your farm operation can benefit from a charitable gift.

WILL THE GIFTED GRAIN COUNT AS INCOME IN GOVERNMENT **PAYMENTS LIMITATION CAPS?**

No, the gift of grain won't count as income in your government payments limitation caps calculation.

IF I ITEMIZE DEDUCTIONS, WILL I RECEIVE A CHARITABLE **DEDUCTION FOR MY GIFT OF GRAIN?**

It is unlikely that the donor will receive a charitable contribution deduction for the gift of grain. Grain is treated as inventory, and thus the donor's charitable contribution deduction would be limited to the lesser of the fair market value or the basis. Basis in the grain will almost always be \$0.
