

18-19 ANNUAL REPORT

THANK YOU FOR INVESTING IN IVY TECH'S STUDENTS, communities, state and future!

As we end the year, we would like to thank you for your continued support and investment in the Ivy Tech mission. Your gifts helped us raise **\$54,893,190**, which is another landmark year of support. Because of your philanthropic support, we are seeing more students achieve their higher education goals and enter the workforce in Indiana. With over **93%** of our alumni still living in Indiana, we can say without a doubt your investment is providing an impact in the future of our workforce, state and the lives of those living in our local communities.

Included in this report are outstanding accomplishments we have achieved through the support of over 5,318 donors this past year. We are truly able to impact students directly through your financial support, as seen by the two students featured. Both Adrian and Faith are among **3,673** other students who received Foundation specific scholarships totaling **\$3,531,405!**

Collectively, our donors encompass faculty, corporations, employees, community members, and volunteers. Even our students support our concentrated efforts to grow the workforce in your community. With your joined effort of sharing resources, we are able to provide a superior education for our students.

Again, thank you for your support of Ivy Tech.

FAITH PETROWSKI

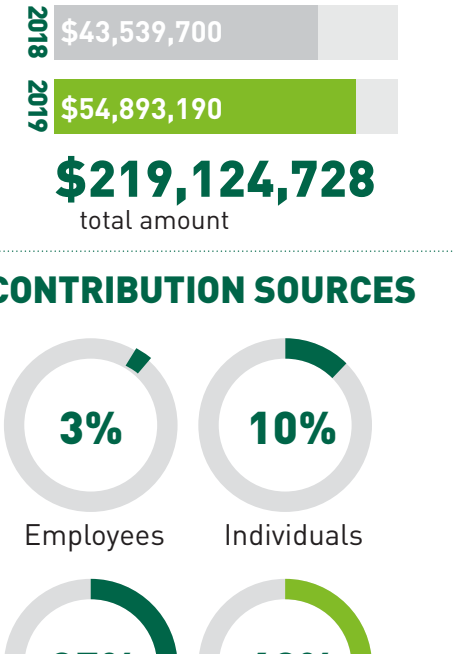

CAMPUS: Terre Haute
PROGRAM AREA OF STUDY: Nursing [RN]
EXPECTED GRADUATION: 2021

“ Growing up with a little sister constantly in and out of Riley Children’s Hospital, I knew I wanted to give back by being involved in the healthcare field. Ivy Tech has one of the best nursing programs in the state of Indiana, and I wanted to challenge myself to become the best nurse I possibly could be. Being a recipient of the Chancellor’s Scholarship, I am beyond thankful that I get to achieve my educational goals at no cost to me and my family. ”

EDUCATION GOALS:
Transfer from Ivy Tech to earn a Bachelor’s Degree in Nursing from IUPUI

ASPIRATIONAL CAREER:
Pediatric Nurse

ADRIAN HUIZAR

CAMPUS: Kokomo
PROGRAM AREA OF STUDY: Mechanical Engineering Technology
EXPECTED GRADUATION: 2021

“ Since I could remember, I’ve been determined to become a mechanical engineer. When I graduated from high school, I came to the realization that the education that I needed was unaffordable for my family. However, not all hope was lost. Ivy Tech Community College didn’t let my dreams come to a halt and has allowed me to receive an affordable, quality education, with a schedule that is convenient to my needs. ”

EDUCATION GOALS:
Receive my Associate of Technology from Ivy Tech, then transfer to Purdue Polytechnic

ASPIRATIONAL CAREER:
Work as a mechanical engineer for an automotive company in Indiana

OUR MISSION
We partner with donors to invest in Ivy Tech Community College students, faculty, and programs to build stronger communities and a better Indiana.

OUR VISION
We aspire to be the best two-year college foundation in America and to be recognized as such by donors as stewards of their philanthropy; by students, faculty, and staff as a significant source of support for excellence and opportunity; and by peers as a model of efficiency, effectiveness, and vision.

IN MEMORIAL

Major General George A. Buskirk Jr.
MAY 6, 1949 – OCTOBER 8, 2019
Ivy Tech Foundation Board of Directors
Army National Guard
National Treasurer of the American Legion
Butler University
Indiana University School of Law

George was a dear friend of mine and all of Ivy Tech. He played a major role in developing the Ivy Tech Foundation investment strategy and assisting military veterans in achieving an education. Not only did “our General” serve with distinction on our Board but he proudly served on numerous nonprofits throughout Indiana. I am very saddened by the loss of this wonderful individual and trusted advisor.
Rest in Peace
-John M. Murphy
